Famous Six-Horse Hitch of Moores & Ross Milk Co. Shown At State Fair Will Be Seen In Local Event

The famous six-horse hitch of the Moores & Ross Milk Co. will be shown at the State Fair. The team, consisting of six horses, is a well-known sight at the fair. The horses are of various breeds, including Percherons and Belgians. The hitch is a testament to the strength and endurance of these animals. The Moores & Ross Milk Co. is a prominent dairy business in the area, and this display is a highlight of their participation in the fair.

The horses are hitched to a large wooden wagon, which is used for transporting milk. The team is led by a driver, and the horses are trained to move in perfect harmony. This display is a popular attraction at the fair, drawing many visitors who are interested in the world of agriculture and animal husbandry.

The fair is a great opportunity for the public to see these magnificent animals up close. The horses are well-cared for and are in excellent health. The display is a testament to the hard work and dedication of the Moores & Ross Milk Co. and their team of horses.

EDUCATIONAL SHOW PLANNED

Exhibits To Be One of Most
Interesting Exhibits at County
Fair This Year

The educational exhibit is one of the most interesting and valuable features of the county fair. It is designed to provide information and entertainment for the young people of the county. The exhibit includes a variety of displays, including books, maps, and educational toys. It is a great opportunity for children to learn about the world around them and to develop their intellectual and creative abilities.

STEERS TO BE SEEN AT FAIR

Stock Fed by Vocational Agri-
cultural Boys To Be on
Display

The vocational agricultural boys are proud to present their stock to the fair. They have spent many months caring for and raising these animals, and they are excited to show them to the public. The stock includes a variety of breeds, including Herefords, Angus, and Shorthorns. The boys have worked hard to ensure that their animals are in the best possible condition, and they are confident that they will receive high praise for their efforts.

PLENTY TO AMUSE KIDDIES AT FAIR

There is a great variety of amusements for children at the fair. From the classic carousel to the latest in fairground games, there is something for everyone. The children are sure to have a great time and to create many happy memories. The fair is a wonderful place for families to spend a day together and to enjoy the sights and sounds of the fair.

MACHINERY TO BE EXHIBITED

Combined Harvester-Thresher
To Be One of Department
Features

The combined harvester-thresher is a marvel of modern agricultural machinery. It is designed to perform both harvesting and threshing operations, making it a highly efficient and versatile machine. The fair is a great opportunity for the public to see this machine in action and to learn about its many features and benefits. The harvester-thresher is a testament to the ingenuity and innovation of the agricultural industry.

While at the County
Fair visit the
Richman Store and
give her a chance
to say.

"Tom, you look
wonderful
in your new
Richman
Suit!"

Give Her A Chance To Say It

The man who hasn't a "girl friend," whether mother, wife, sister or sweetheart, is friendless indeed. An easy way, and a sure way, to make her happy is to look your best. A woman's love of good clothes and careful grooming, for herself and her men folks, is instinctive.

You can best meet "her" style and quality standards in Richman's Clothes, without greatly disturbing the little old bank roll.

Choose for sport or business wear a sturdy twist weave with the color richness of an autumn sunset, a cassimere of fawn tan or mahogany brown, or, as a concession to very quiet taste, the dignity of a pencil stripe worsted or soft gray.

Of course, you'll want a suit of blue, as well—the "utility player" of the wardrobe "team." Always deers, the blue suit provides a change for business wear, keeps you "dressed up" for the evening downtown, and, in fact, fits into the spirit of every occasion which falls short of formal dress requirements.

So much for our suggestions. You'll find us ready with styles and weaves to meet your conception of the right thing to wear.

Unrestricted choice of

coat or tuxedo at the one

TEST

So called standard tires are guaranteed for only three months. That is the limit.

TRIANGLE INSURED TIRES are guaranteed four times longer—a whole year.

Five Reasons For Buying Triangle Insured Tires

First — They are positively
guaranteed in writing for one year.
No stone bruises, rim cuts,
blow-outs, tread separation, or
other defects or ACCI-
DENTS that would put the tire
out of use.

Third — They do not cause
the trouble and roadside ex-
pense ordinary tires give.

Fourth — The EXTRA ser-
vice they give, because of their
super quality, makes them the
lowest price per mile tire you
can buy.

Put an Insured Triangle
alongside any other tire made.
We will INSURE IT A YEAR.
You cannot lose. And you will
realize for yourself how much
better and longer they will run.

Fifth—This is a direct fac-
tory proposition and conse-
quently we are able to sell
these tires at prices no higher
than you would pay for ordi-
nary tires.

FIRST CLASS ATTRACTIONS MAINTAINED

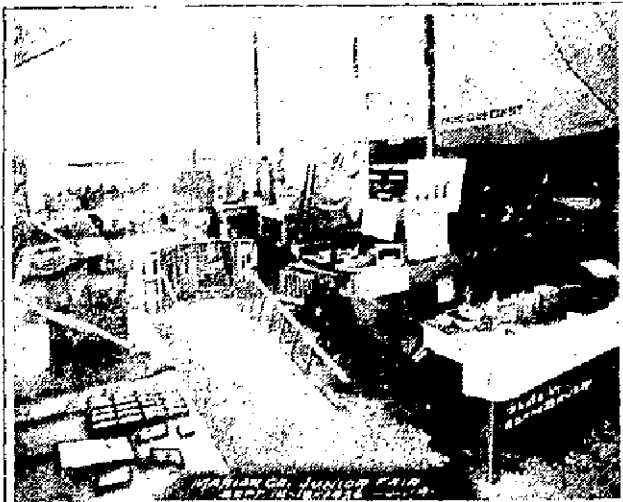

Seventy-Seven Years of County's Growth To Be Displayed This Year

Seventy-seven years of Marion County's growth and development are to be displayed at the annual fair which is to be held from Sept. 12 to 16, inclusive, at the fair grounds.

This year's event promises to be the largest agricultural, industrial and commercial display of the county in its history. In several instances, the fairgrounds will be an extension of the county's growth and development.

Not only is Marion County a power in the nation of fairs but it has been distinguished for many years for the high standard in its exhibits of its growth. With the exception of a few minor changes in the exhibit space, the annual exhibition here has been a model of its kind.

Former Difficulties
Fair management in former years have not been without their difficulties, but those who have followed the fair in Marion County down through the years recall one instance when the

VIEWS OF JUNIOR FAIR EXHIBITS TAKEN AT LAST YEAR'S EVENT

extensive work was done when the fair grounds were first established. The fairgrounds were first established in 1856, and since that time they have been a model of their kind.

It is recalled that on this particular occasion the fair money had not been paid up in the day the fair was scheduled for opening. Prospects of building the scheduled fair were much less good at that time, as money being available to meet the expenses demanded

for the fair. However, within a short time, the fair money was obtained and the fair was founded.

First Fairground
The fairgrounds were first established in 1856, and since that time they have been a model of their kind.

The county fair began its first annual growth during the administration of the late J. E. Webb, an early settler and the administrator of the county. James A. Knapp, former headmaster of the fair, began the fair in 1856, and since that time it has been a model of its kind.

Upper right is the Young Men's Farming Club Exhibit, part of the Junior Fair display last year. Vocational agriculture teachers in the county are in charge of the Junior Fair.

POLICE CORPS TO MAINTAIN ORDER AT FAIR

Officers in Charge of Chief J. W. Thompson Will Patrol Grounds

To keep the fair grounds in order, the police corps will be in charge of the fair. The police corps will be in charge of the fair grounds, and the fair will be a model of its kind.

MANY POINTS OF INTEREST

Fair Visitors To Have Opportunity To Visit Many Historic Spots

In addition to the more interesting exhibits, attractions and events scheduled for the Marion County Fair to be held at the fairground, Sept. 13 to 16, inclusive, there are many points of interest that should prove attractive to out-of-town visitors.

Parts of the city afford delightful picnic grounds and bathing places for visiting fairgoers wishing to attend the fair.

Among the city and also prove desirable in view of the numerous spots of historic interest.

Stones of the city are offering a wide variety of attractions to women and men.

Among the historic spots easily accessible are the Harding Memorial Home, Mr. Venable, the Harding Tomb, Marion Cemetery, and the 1890-1891 Harding Memorial on the Marion-Indianapolis, just south of Marion Cemetery, now under construction.

Other points of interest include Crystal Lake Park, Marion's many industrial plants, Indian Mound, and the various new subdivisions in the city.

ELECTRICAL SHOWS PLANNED FOR FAIR

Most Modern Appliances Will Be Exhibited in Art Hall at Fairground

Electrical appliances of every nature will be on display in the Art Hall at the Marion County Fair next week, with dealers from Marion and all parts of the county combining to make the display a huge success.

Various lighting plants with new systems of operation will be shown. Latest styles of lighting fixtures, globes, and the like will be on and special electrical appliances common at this time will be on display.

The Bailey-Cramer Co. and Marion Electrical Appliance Co. are among the first to enter their exhibits. Others are expected soon.

Special electric operating devices will have a place in the list of articles to be shown, with many new household items being provided for all visitors of the fair. The display is a whole program of the best ever seen at

FREIGHT TRAIN BETTER**
A young boy, 12 years of age, was injured Saturday morning when he jumped a freight train at the crossing near the city limits. The boy, who was named John Smith, was taken to the hospital where he is now recovering from his injuries. The accident occurred at about 7:30 a.m. when the train was traveling southbound. The boy was seen running across the tracks just as the train was approaching. The train was stopped for several minutes to allow the boy to be removed from the tracks. The freight train was carrying a load of lumber and other goods. The accident has caused a delay in the train's schedule. The city authorities are investigating the cause of the accident and are warning other children not to do the same.

GENERAL TO BE
MORNING

A general meeting of the city council will be held this morning at 10 o'clock in the city hall. The council will be called into session by Mayor Smith. The agenda for the meeting includes the consideration of a report from the city engineer regarding the condition of the city's water supply. Other items on the agenda include the approval of a contract for the purchase of new city furniture and the appointment of a new member to the city board of health. The council is expected to adjourn at 12:30 p.m.

Washington
Viscount Who Quit Cabinet
Admired on This Side of Pond

WASHINGTON, Sept. 10.—Viscount Cecil, who resigned from the British cabinet last week, is being admired on this side of the pond. The viscount, who was a member of the cabinet for many years, is known for his statesmanship and his role in the negotiation of the 1919 peace treaty. His resignation was a surprise to many, but it has not diminished his reputation as one of the great statesmen of his time. On this side of the pond, his resignation is seen as a sign of the changing of the guard in British politics. Many Americans are looking forward to seeing what Cecil will do next. His resignation is expected to have a significant impact on British foreign policy.

PLAN NEW TRACKS

The city council has approved a plan for new tracks for the city's public transportation system. The plan calls for the construction of new tracks along the city's main thoroughfares. The new tracks are expected to be completed by next year. The city council is pleased with the plan and believes it will greatly improve the city's public transportation system. The new tracks will allow for faster and more efficient travel for the city's residents. The city council is also planning to increase the frequency of the public transportation service.

HOLD LAST RITES

The funeral for a local resident will be held this afternoon at 2 o'clock in the city hall. The deceased was a well-known member of the community and his death has caused a great deal of sadness. The funeral will be attended by many friends and family members. The city hall is a fitting place for the funeral as the deceased was a prominent figure in the city's history. The funeral will be a simple affair, but it is expected to be a touching one.

RAIN HALTS RACES

The races at the local track were halted due to heavy rain. The rain was so heavy that it was impossible to continue the races. The track officials decided to postpone the races until a later date. The fans at the track were disappointed, but they were understanding of the situation. The races are expected to be held again next week.

**LODGE AT CALEDONIA
ADOPTS RESOLUTION**

The lodge at Caledonia has adopted a resolution regarding the city's public transportation system. The resolution calls for the city to increase the frequency of the public transportation service. The lodge believes that this will greatly improve the city's public transportation system and make it more convenient for the city's residents. The city council is expected to consider the resolution at its next meeting.
